

CASTROVIEJO

RIOJA ROSE

VARIETAL: Garnacha & Tempranillo
VINTAGE: 2016 **ALCOHOL:** 13.5 %
WINEMAKER: Ventura Lasanta

WINEMAKING:

Tempranillo and garnacha grape of our own vineyards and harvested in the second half of September at its optimum point of maturity and varietal expression. Elaborated by the method of Bleeding and fermented at low temperature for 20 days. It stays by his lees for three months.

COLOUR: Beautiful strawberry-salmon color, onion skin.

AROMA: This wine stands out for its rich aromatic varietal characteristic of Tempranillo. Predominant notes of strawberry, raspberries, white flowers to bone fruits.

PALATE: In the mouth it is very enveloping being long and persistent. It emphasizes its fine acidity. Very nice rosé of drink, with a lot of flavor.

Chalky clay soils: yellowish in colour, made from limestone or sandstone deposits from the Tertiary period, which are not very fertile.

The climate for our vines is totally linked to the topography created by the Ebro basin. Three different kinds of climate combine in perfect harmony to create an ideal microclimate for growing grapes: first the Mediterranean influence which comes up the Ebro valley from the sea, then the Atlantic or Ocean climate coming in from the north and finally the Continental air stream from neighbouring Castile, attenuated by the presence of the imposing mountains of the central massif.

Pastor Diaz Family has been growing vines, making Rioja wine and producing olive oil for as long as anyone can remember. In both cases, back beyond the 19th century, curiously the last four generations were all born with the same name: G O N Z A L O P A S T O R
Bodegas Pastor Díaz have the latest winemaking and ageing equipment in a “bodega” which has been continuously extended over the years, always the aim of improving the quality of the wines. The capacity of their vinification facilities is for a maximum of 1,000,000 litres, with 1,200 American-oak and 600 French-oak casks and an average stock of 400,000 bottles of wine.
