

# CASTROVIEJO

## RIOJA WHITE

**VARIETAL:** 100% Tempranillo blanco

**VINTAGE:** 2016 **ALCOHOL:** 13,5% **WINEMAKER:** Ventura Lasanta

---

### WINEMAKING:

In its elaboration, the most modern techniques have been combined, such as the nocturnal grape harvest or the pre-fermentative criomaceration with traditional techniques as static defragmentation or natural clarification to extract from tempranillo blanco, typical Riojan variety, all its aromatic and organoleptic potential

---

**COLOUR:** A wine with a pale yellow hue with nice green hues, clean and bright.

**AROMA:** Exquisite fruity notes of green apple and citrus are distinguished slightly by aromas of white flowers.

**PALATE:** Smooth, with fine acid structure, balanced round and with long persistence over time.

A very pleasant wine to pair with white meats, rice and all kinds of fish and seafood

---

Chalky clay soils: yellowish in colour, made from limestone or sandstone deposits from the Tertiary period, which are not very fertile.

The climate for our vines is totally linked to the topography created by the Ebro basin. Three different kinds of climate combine in perfect harmony to create an ideal microclimate for growing grapes: first the Mediterranean influence which comes up the Ebro valley from the sea, then the Atlantic or Ocean climate coming in from the north and finally the Continental air stream from neighbouring Castile, attenuated by the presence of the imposing mountains of the central massif.

Pastor Diaz Family has been growing vines, making Rioja wine and producing olive oil for as long as anyone can remember. In both cases, back beyond the 19th century, curiously the last four generations were all born with the same name: G O N Z A L O P A S T O R  
Bodegas Pastor Díaz have the latest winemaking and ageing equipment in a “bodega” which has been continuously extended over the years, always the aim of improving the quality of the wines. The capacity of their vinification facilities is for a maximum of 1,000,000 litres, with 1,200 American-oak and 600 French-oak casks and an average stock of 400,000 bottles of wine.
